

**« DRONERS »,  
A NEW ANIMATED SERIES IN DEVELOPMENT WITH  
TF1, CYBER GROUP STUDIOS, SUPAMONKS STUDIOS  
AND LA CHOUETTE COMPAGNIE**

TF1, Cyber Group Studios, Supamonks Studios and La Chouette Compagnie announce that they are currently developing **Droners**. This comedy and adventure animated series, based on an original idea by Pierre de Cabissolle and Sylvain dos Santos, will target kids aged 6 to 10 in 26 episodes of 26 minutes.

Welcome to TERRAQUA, a world 95% covered by oceans! Corto, Arthus, Enki and Mouse form team Tikis! Together, they firmly intend to win the Whale Cup, the craziest drone race of all times. They will have to prove their agility, be bold to face the strongest opponents coming from all parts of the World and thwart tricks on the craziest and most incredible drone circuits ever organised. Watch out competitors: the Tikis are more determined than ever! The future of their archipelago, threatened by marine submersion, relies on their victory in this tournament...

*“It’s a real pleasure to launch together with our partners this new adventure. “Droners” promises to be more than a simple series on drones. Its beautiful graphic world and its related characters will let us create strong stories that will climax in the most spectacular drone races ever!”* explains Yann Labasque, director of TF1’s Youth Programming.

*“We are particularly proud to develop “Droners” with Yann and his team at TF1 and we thank them for their trust. Our ambitions for this series, which takes us into the future of*

*drones, are great and we are convinced that young viewers will be fascinated by our heroes and the challenges they are confronted with”* adds Pierre Sissmann, Cyber Group Studios CEO.

**Production:** Cyber Group Studios & Supamonks Studios with La Chouette Compagnie.

With TF1

**About TFOU:**

A favorite destination for kids under 10, TFOU, TF1’s children’s slot, broadcasts more than 750 hours of programming a year. Content ranges from cartoons, short films and magazines to civic causes, games and special events. By far the leader in youth offerings on the French market, TFOU finished the year 2016 with excellent performances, with an average viewing share of 25% on 4 to 10 year olds. (*Source Médiamétrie*)

**About Cyber Group Studios:**

Cyber Group Studios is a French independent multi-awarded company which produces and distributes its own and third party audiovisual productions and brands. The company handles programs with strong international appeal targeted to kids and families in particular, 3D CGI and 2D HD, animated productions (TV series and movies) targeted at 2-12 years old kids and teens and HD animation series, for “Triple Play” broadcast (web, mobile phones, TV). Its mission is to bring the best quality entertainment associated with the best creative talent around the world and to develop breakthrough technology to enhance its productions. The company’s aim is also to associate with other top producers in the world to help bring their outstanding new productions to market through Cyber Group Studios distribution network.
