

**« 1 ROOM FOR 2 » WINNING FILM OF  
TFOU d'ANIMATION 2016/2017 SCENARIO CONTEST  
ON AIR FROM JUNE 12<sup>TH</sup>**

Premiered on June 8th as opening film of the Prix Media Enfance Majuscule, « **1 room for 2** », winning film of the TFOU d'ANIMATION 2016/2017 scenario contest, co-written by **Johanna Goldschmidt** and **Laure-Elisabeth Bourdaud** and directed by **Tant Mieux Prod**, will be broadcast from Monday June 12<sup>th</sup> on TFOU and on all its digital ecosystem (MYTF1, TFOUMAX and on Facebook page TFOU).

The SACD co-organiser of the contest and the partners of TFOU d'Animation 2016/2017 Contest (Enfance Majuscule association, SNE and Women In Film France) will also broadcast the 1'30'' film on their own digital sites.

As in the past years, the 2016/2017 event was part of a citizen program raising child awareness. Each scenario had to promote diversity and gender-equality and illustrate the baseline « **Filles et garçons, tous à fond!** ».

In November 2016, Johanna Goldschmidt and Laure-Elisabeth Bourdaud have been awarded at the SACD - Maison des Auteurs for their scenario. In addition to the 1000€ prize offered by SACD, the TF1 group has financed the production up to 15000 €. Delphine Maury and her Tant Mieux Prod company have produced the film.

Co-organised with SACD, the 2017/2018 edition of the TFOU d'ANIMATION Contest will be revealed in September in a new version.
