

## PRESS RELEASE

Boulogne, 31 October 2017

The TF1 group has become aware that a complaint of harassment has been filed against Éric Monier, Editor-in-Chief at LCI since 2016, relating to facts that allegedly go back to 2012-2013.

The State Prosecutor has apparently launched an investigation.

Eric Monier, who is entitled to the presumption of innocence, has informed TF1 that he intends to file a complaint of malicious accusation.

If the allegations were to be confirmed, the TF1 group would draw all the consequences from the legal repercussions of the matter.
