“Les Randonneuses” tells the story of six extraordinary women: Sara, No  mie, Patty, Karen, Val  rie and Morgan. They have nothing in common, but hatch a madcap idea to hike to the summit of the D  me de la Lauze, a peak nearly 4,000 metres high. The scenery is awe-inspiring, but so is the challenge – especially when we find out that each of their lives has been touched by cancer to a greater or lesser extent.

It’s a rocky road for our heroines as they deal with fatigue, disappointment, disagreements, and even danger. But it’s also an adventure on a human scale, that will bring them together forever.

Through laughter and tears, we will follow these six feisty, funny and moving women on their crazy but life-affirming hike.
